

Night Care

You can choose from our range of **Night Packages** to suit your caring needs.

- 1 **Companionship Nights:**
0-3 assistances
- 2 **High Dependency Nights:**
4 or more assistances

Live In Care

We offer tailored **Live In Packages** to suit each individual's needs.

As each of our client's have different requirements, we will build a care package to match these.

Pre and Post Operative Care

We can provide pre and post operative care in liaison with your medical team.

The services we provide for this include:

- **Transfer and Mobility**
- **Peg Feeding and Stoma Care**
- **Medication Prompt**
- **Light Domesticity**

We specialise in short term post operative orthopaedics care.
