Payroll

All bookings are visible in your schedule through the OneTouch app. Instructions on how to download this app will be forwarded to you from Recruitment before your first assignment. To ensure accurate and timely payments, clock in when you arrive at your client's home, and clock out when you leave the home, ensuring you stay for the full duration.

When do I get paid?

Payroll for all visits clocked in and out are processed in the week after you work. You are paid the week after payroll processing.

When will I receive my payslip?

By email each Wednesday and you will be paid into your bank each Friday.

If you do not have a pin to open your payslip, email healthcarepayroll@cpl.ie and request same.

What is the Company Registration Number?

8293901A, but the payroll department will contact www.ros.ie and request your tax credits for you.

How do I request holidays?

Send your holiday request to holidays@privatehomecare.ie giving a minimum of 4 weeks notice. State your last working day before your holidays and first working day after. Carers on the same roster cannot be away at the same time. It is first come first served.

How is holiday pay calculated?

Holiday pay is calculated at 8% of hours worked. Public holiday payments are calculated as per the Organisation of Working Time Act 1997. Your fully accumulated holiday entitlement is paid in the payroll week of your first week of leave.

How do I complete the digital tasks on each visit?

Once you clock in, the digital tasks for that visit will appear in a blue box under the green "clock in/clock out" box. Click the blue box to view tasks, mark them as completed, partly completed, or other, and add relevant comments. Then, clock out.

If I have any concerns or issues about a client, who do I talk to?

You can talk to any member of the Service Support team. These may be recorded for internal processes.

If I have any concerns or issues about anything else, who do I talk to?

Clients

Is it possible to request a different client if I feel it's not the right fit?

If you are not feeling comfortable to continue with your client then contact any member of the Service Support team. Please note that we might need some notice before we can remove you from a client.
